ANOTHER SUCCESSFUL ROTARY US BANK HOLIDAY CLASSIC

Despite the first major snow storm of 2015, all thirty-two teams and a great crowd of fans came together over two days at Rochester's Mayo Civic Center to enjoy great basketball and to raise money for youth in our community. Sincere thanks to the members of the steering committee for their work over one year to plan, organize, and host a well-coordinated event. Thank you to all local businesses and Rotarians for your financial support of the event. Thank you to Rotarians and friends of Rotary for your volunteer time. Your presence helped our attendees feel welcome and comfortable as they navigated the halls of Mayo Civic under construction. Thank you to all who attended the event as supporters of youth and fans of basketball. The Holiday Classic has become a major sporting event in Minnesota, and it wouldn't be possible without the support of those mentioned.

Once again, all proceeds will be given back to the community. A final payment will be made to Mayo Civic Center to assist with the purchase of the Rotary basketball court in the Auditorium. This beautiful court is used throughout the year and displays the Rotary logo. Additionally, monies will be given to each of the four local high schools, Rotary's STRIVE and literacy programs, and numerous nonprofit youth programs and projects in our community.

WHAT: For nearly fifteen years, our Club has held a biennial benefit to promote the good work supported by the Rotary Club of Rochester Foundation. Another exciting development; we will invite the public to attend and learn about the great work Rotary does locally and globally.

We are asking members to consider donating an item either to the live and/or silent auction. The silent auction items should be \$50 or more value. The live auction items should be \$500 or more value. Sinead Chick will oversee the collection of auction items. If you are interested in donating, please contact Sinead sinead@rochestercivictheatre.org, Heather hholmes@raedi.com, or Kristine kihrke@soldiersfield.com

Through the benefit, we are proud to support numerous programs both locally and internationally such as STRIVE, Youth Exchange, Polio Plus, Fast for Hope and many more. Please help us reach our goal of \$50,000 for the Rotary Club of Rochester Foundation!

JANUARY IS VOCATIONAL SERVICE MONTH

THE CONCEPT OF VOCATIONAL SERVICE

Taken from "An Introduction to Vocational Service – Rotary International"

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster:"

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian's occupation as an opportunity to serve society

As a Rotarian, how can you put these ideals into action?
Consider these suggestions:

- Talk about your vocation in your club, and take time to learn about fellow members' vocations.
- Use your professional skills to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your own words and actions.
- Help a young person achieve his or her career aspirations.
- Guide and encourage others in their professional development.

If you do any of these things, you are performing vocational service. And if vocational service motivates and energizes you, then you're in the right place, because vocational service is the very essence of Rotary. It is what sets Rotary apart from other service organizations.

THE FOUR-WAY TEST

of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

NORTH CENTRAL-PRESIDENT ELECT TRAINING SEMINAR (NC-PETS) VOLUNTEER SIGN-UP AND SCHEDULE

Rochester will serve as the host for NC-PETS March 10-12, 2016. President-Elect Rotarians from across four districts, including our own District 5960, will be coming together for training in preparation for the Rotary year 2016-2017.

Rochester Rotarians are needed to serve as Sergeant of Arms to direct traffic during the event, primarily during meal times on Friday the 11th and Saturday the 12th morning. In addition to meeting Rotarians from our neighboring districts, volunteers will also be able to enjoy a meal following their assignment.

Contact Joanne Rosener by Friday, March 4 at joanne.rosener@gmail.com to sign-up.

Make a New Year's Resolution to Give

Whether you give to Rotary International or our local Rotary Club of Rochester Foundation, you are making a difference. Here are a few ways that your support is helping to change lives all over the world:

Educating children: Rotary members in Maine, USA, and Rajasthan, India, are using a global grant to educate hundreds of children in the city of Bikaner who previously were not attending school, and to provide professional development for their teachers. [Learn more about the project](#), which also provided desks for the students through an earlier grant.

Fighting disease: Rotary members in California, USA, and Sinkor, Monrovia, Liberia, are using Foundation grant money to train health care workers in techniques to prevent mother-to-child transmission of HIV and to improve their ability to diagnose and treat infected women. The success of the project is measured in lives saved. Read more about the [vocational training team's efforts](#).

Growing local economies: In the Esmeraldas Province of Ecuador, Rotary members have teamed up with a microfinance organization to provide small loans to poor women, teaching them to sew and bake so they can start or expand businesses. Global grant funds provide seed money for microloans and buy sewing and baking equipment for a training center where the women learn vocational skills and basic business management. [Learn more about the project](#).

Ending polio: In 2015, wild poliovirus transmission declined to its lowest level ever, with fewer cases reported from fewer areas in fewer countries than ever before. As of 15 December, only 66 cases of the disease caused by the wild poliovirus had been reported in the two remaining endemic countries, Afghanistan and Pakistan. Gifts from Rotary members have funded the immunization activities that are helping us reach our goal of a polio-free world. And every dollar that Rotary commits to polio eradication is matched 2-to-1 by the Bill & Melinda Gates Foundation, tripling your impact. Watch our [World Polio Day Livestream update](#).
