OCTOBER IS VOCATIONAL SERVICE MONTH

Vocational Service, one of Rotary's Avenues of Service, encourages Rotarians to serve others through their professions and to practice high ethical standards.

Rotarians, as business leaders, share skills and expertise through their vocations and inspire

others in the process. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering an opportunity for clubs and districts to use their professional skills in service projects.

Vocational Service focuses on:

- Adherence to and promotion of the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just those that are pursued by Rotarians.
- The contribution of your vocational talents to solving the problems of society and meeting the needs of the community.

QUARRY HILL FALL FESTIVAL

What a beautiful weekend! Thank you to the 34 volunteers who manned the kitchen and the food wagon at the Quarry Hill Fall Festival.

In addition to helping raise funds for Quarry Hill, you were the face of Rotary! Special thanks go to those who

pitched in at the last minute to cover those who were out with the flu.

Quarry Hill Co-Chairs: *Brenda Walker, Carla Nelson*

A little bit of Rotary History

The tradition of singing at Rotary club meetings began in 1905 with Rotarian Harry L. Ruggles, of the Rotary Club of Chicago.

New Rotary clubs formed, and the practice of singing at club meetings caught on. Ruggles's company published an unofficial *Book of Songs* — a collection of patriotic tunes, familiar standards, and Rotary songs (many penned by Rotarians) — to help clubs make singing a regular part of their meetings.

The first official edition of Ruggles's songbook, *Songs for the Rotary Club*, was published in 1920 and provided lyrics only. Editions with musical notation appeared in 1925.

Later editions offered advice on incorporating music into Rotary club meetings. The 1933 book of songs encouraged Rotarians to add singing to their weekly meeting agendas. The 1935 edition advised clubs to sing prior to lunch and to select a song leader on the basis of personality, not musical talent. Walter R. Jenkins, of the Rotary Club of Houston, served as the official song leader at RI Conventions from 1931 to 1966. *Rotary International News* — 8 October 2008

Welcome New Members

We are pleased to welcome **Greg Lappin and Barb Banner** who were inducted into membership in September. Please look for their red badges and take time to introduce yourself and welcome them to Rotary.

It's not too late to be a Rotary Reader!

The Rotary Reader program starts soon and there are times/days available. It is a small weekly time commitment.

This is an opportunity for Rotarians to provide a mentoring experience for students' educational development. In the regular classroom, readers will be listening to children read and help them with pronunciation and word definition.

The program, at Riverside Central Elementary School, runs Monday through Thursday from October 5, 2009 to April 28, 2010.

Questions or to sign up, please contact Cris Fischer at crisfischer.edu@charter.net

Summary of Sept. Board Meeting

Board Meeting Minutes

Your Board of Directors met on Thursday, September 10. The following is a summary of what was discussed and decisions that were made:

1. Voted to start direct debit now so that we are ready for January dues statements. The Board believes this will help with recruitment and assist our current membership by dividing the dues into smaller payments.
2. New member application for Kelly Engler, Eastwood Bank Trust Department, proposed by Janice Farris.
3. Erica Trempe will continue membership.

Let's stay healthy!

During the upcoming flu season, we are asking that you replace your friendly Rotary handshake with a friendly Rotary smile. If you forget, we do have hand sanitizer by the buffet and on every table.

YOUTH EXCHANGE ANNOUNCEMENT

The Rotary Club of Rochester is accepting applications from students and adult volunteer mentors for the 2009-2010 YouthLINC program and students for the Outbound Youth Exchange Program.

YouthLINC invites students (high school sophomores through college age) to earn a sponsorship toward the cost of a two week international service experience next summer. Each student qualifies for financial help by doing local community service during the school year. For the past two years we've sponsored students to Kenya, but this year we are pleased to be able to offer four international site locations to choose from: Kenya, Peru, Thailand and Mexico. Travel dates, costs and service requirements vary by site; more information and applications are available at www.RochesterRotaryClubs.org/YouthLINC. We are also looking for adult mentors to accompany the students.

Rotary Youth Exchange provides students ages 15-19, the opportunity to travel abroad, live with a host family, and experience life firsthand in a different country, school and

social environment for one year. Candidates should also possess qualities such as flexibility and willingness to try new things as well as be an above-average student who has demonstrated leadership in their community. The participation fee for the Rotary Youth Exchange for the 2010-2011 exchange year is **\$5,200**.

Please help us promote this opportunity by forwarding this information and the web site link to others who might be interested. If you have any questions about YouthLINC, please contact Kim Adams at kadams@sngresearch.com or 424-3174. If you have questions about Youth Exchange, please contact Michael Grinnell at grinnell.michael@mayo.edu or 507-282-8278.

The phone number and email address for the Rotary Office are the same as they were when Lois was working. Please use 252-0085 and romnrotary@charter.net to contact Peggy.
