Dear Rotary Club of Rochester,

Thank you for your gift of \$22,170.00, which was used to purchase a vehicle for our operations in Tanzania, in support of Wine To Water's mission to preserve life and dignity through the power of clean water, received on December 12th, 2024.

Together, the WTW community continues to make an impact in 308 communities in 55 countries through our sustainable and comprehensive WASH (water, sanitation, and hygiene) and Disaster Relief programs – we are so thankful that you chose to walk alongside us in this life-changing work.

Here are a few of the many incredible highlights of 2024 from the communities we work alongside:

- **61 rainwater harvesting systems established impacting 2,188 lives in 5 countries**
- **2,298 reusable menstrual products distributed to support menstrual health**
- **431,549 gallons of water distributed to people impacted by Hurricane Helene in Western North Carolina**
- **11,918 hygiene kits distributed**
- **94,500 plastic water bottles recycled, reducing environmental impact**

Words cannot express how thankful we are for your support; we truly could not have done it without you.

Cheers to creating a sustainable impact,

Tina Owen
