Meeting for Sampler Volunteers

Stillwater Sampler Volunteers,

Thank you all for volunteering to be part of the group of Stillwater Rotarians who will plan and organize the 2013 Stillwater Sampler to raise money for local, regional and international service projects. We are going to hold a committee meeting at 11:20 this Thursday preceding our regular meeting and hope you can attend. [In the Garden Room.]

I promise to keep the meeting short and focused on the tasks that need to be accomplished so that we all know our responsibilities and where we need to recruit additional help to make this event a social and financial success. So far, we've had great cooperation from all of you but there are still a few areas that need some additional help to get organized and prepared to meet the planning timelines.

I hope you can make it on Thursday but, if not, please let me know so that I can get you the individual information you will need for your volunteer responsibilities.

Thanks again to all of you! The response from the club for this call for "Service Above Self" has been most gratifying and greatly appreciated. Our Committee motto: "Many hands make light work."

President's Meal Train

If you are interested in providing a meal for Bob Eiselt during his healing and recuperation, please visit this link and sign up to deliver them a meal. As you know, Bob is in a wheelchair for the next few weeks as his leg is not weight bearing and his clavicle cannot support him on crutches. Let me know if you have any issues with the link - or visit www.mealtrain.com as well. Thanks so much for your help in this...

Rotary Youth Exchange Video

This year's Rotary International President Tanaka has written much about the "New Generations" programs that are part of Rotary as a means of growing and sustaining our organization well into the future. Here is a link to the video that was locally-produced this summer with the intent to educate and interest youth in our Rotary Youth Exchange program: <http://vimeo.com/48505309> (The Best Thing Ever-Rotary Youth Exchange). Please click on the "download" option and choose the file.
