## Sunrise Foreign Exchange Student

The Sunrise Rotary club's Spanish foreign exchange student, Belen Mora Bovio, will be visiting the Stillwater Noon club on Oct. 18th. She will make a 5 minute presentation about the Poinsettia sale she will be offering to the Sunrise, Noon and Lake Elmo clubs to fund an educational motor coach trip to the east coast next June. She plans to attend along with a number of other foreign exchange students after she completes her senior year at

Stillwater Area School. But she needs to raise all the money for the trip herself. All funds earned from the Poinsettia sale will be used for this trip. She and I will provide information, brochures and order forms on the 18th. If anyone who cannot attend would like to place an order to support Belen they can email or phone me at: [timtrooien@comcast.net](mailto:timtrooien@comcast.net) or 651.439.3153.

## Stillwater Fall Fine Arts & Jazz Festival

For those who couldn't attend over the weekend of October 6-7<sup>th</sup>, 2012, the Stillwater Area Rotary Clubs of the Greater Stillwater Area sponsored the Music Stage at the Fall Fine Arts and Music Festival in downtown Stillwater. The event ran from 10am – 5pm both Saturday and Sunday and despite the weather, it was a fantastic opportunity to promote Rotary within our community and get the word out about Rotary projects both locally and abroad! While the weather was chilly on Saturday, it did improve on Sunday as the sun came out and the crowds descended on Lowell Park. Rotarians from all three local Clubs handed out information and answered questions about Rotary and even sold a few raffle tickets for the Stillwater Sampler.

Club Participants included: Shannon and Mike Enright, Steve Ellison, Dolly Parker, Mary Planten Krell, Jim Schug, John Rheinberger, Scott Mercer, Norm Steere, Jerry Maier and Tracey Galowitz. Many other Rotarians stopped by to visit during the event and some even got their pictures taken in the crowd!!

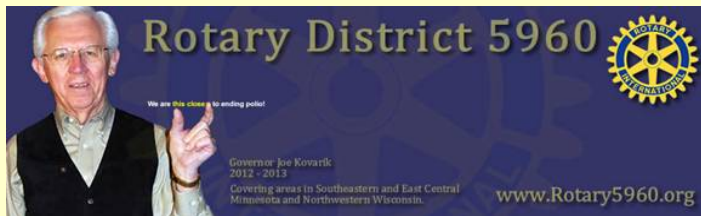

Jim Schug, our Chairman on the Stillwater Sampler Committee, single handedly established a record for raffle pre-sales - setting in place the challenge to Jerry Meier to see who can sell the most raffle tickets this year!! Ernst and Young (aka an independent accounting person) has agreed to provide accounting of their sales through the Sampler event!! Others are encouraged to join it!!

The Clubs will get together to discuss the event to determine whether or not this is something our local Clubs should continue to support and participate in, in the years to come.

## Miscellaneous

### District 5960's 11th Foundation Celebration

We invite you to join us on the evening of October 27 in our annual celebration of the work of The Rotary Foundation, which provides funding support for many of the projects that our individual clubs complete.

We are asking District clubs to display their Rotary Foundation sponsored projects. We will have awards, a great meal, stimulating entertainment and a chance to enjoy the good will and camaraderie typical of Rotary gatherings.

To add to the fun, we are asking each club to donate an item for our silent auction. We ask that the item be of \$75 value or greater, and that you let Trixie Golberg (St Paul Rotary Club) know what you will be bringing. You can reach her at [trixieg@lifetrackresources.org](mailto:trixieg@lifetrackresources.org). Proceeds will go to The Rotary Foundation.
