World Polio Day

By Dan Nixon
Rotary News -- October 2012

Rotarians launched events linked to World Polio Day, October 24, in support of the Global Polio Eradication Initiative.

Led by RI President Sakuji Tanaka, International PolioPlus Foundation Committee Chair Robert Scott, and Rotary Foundation Trustee Stephanie Urchick,

delegates to the Rotary institute for zones 24-32 in Vancouver, British Columbia, Canada, took part in a downtown walk and rally on October 19th. One hundred of the participants carried signs bearing the End Polio Now message.

In District 1090 (England), District Governor Judith Diment held a World Polio Day drive-athon, in which she traveled to each of the district's 62 clubs. Rotarians gave out the new district Rotary newspaper, which lead with a polio story, as well as collected funds and briefed the local media," said Diment, who is the PolioPlus National Advocacy Adviser for the United Kingdom. "On October 28th, we had a Rotary Polio Day at a rugby match, where we gave out newspapers and collected money for polio."

Rotarians in Pakistan published a four-page supplement in *The News*, the leading English-language daily newspaper, which is circulated nationwide. "This helped us create awareness and also projected the role of Rotary in polio eradication," said Aziz Memon, chair of the Pakistan PolioPlus Committee.

Here are ways you can support the global effort to eradicate polio:

- Lend your voice to advocacy efforts by signing the petition on endpolionow.org.
- Purchase *End Polio Now*, an album of songs performed by Rotary polio ambassadors, which was released on World Polio Day. The album is available as a digital download through iTunes and as a CD from shop.rotary.org.
- Plan an "End Polio Now lighting" to celebrate Rotary's anniversary on 23 February.
- Contribute to end polio.
