CWG WHEEL

STILLWATER ROTARY CLUB - Chartered August 1, 1919

FOUR WAY TEST - Of the things we think, say or do:

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

Board Distributes Stillwater Rotary Funds

The 2013 **Stillwater Sampler** brought in over \$30,000 of revenue and had just over \$5,000 of expenses. In addition, over \$13,000 in earnings distributions from our foundation account with the St. Croix Valley Foundation are available for use.

\$15,000 has been awarded to our spotlight partner at this year's **Stillwater Sampler**, District 834's **Partnership Plan**. The \$15,000 will be doubled through a matching grant from the Hubbard Foundation and go to Stillwater Area High School's new Fab Lab, an integral part of the school's S.T.E.M. curriculum. We are excited to be able to make a significant gift towards our area youths' education and were overjoyed with the success of the **Sampler** this year, due in large part to teaming up with the Partnership Plan and their supporters. The board has also approved the distribution of the remaining \$23,000 as follows:

\$11,150 in grants were made to the following organizations (minimum of \$500 each): A Place of Grace, American Cancer Society/Relay for Life, ArtReach Alliance, Canvas Health, Catholic Youth Camp, Community Thread/Transportation Summit, Hope Adoption, H2O for Life, Lakeview Hospital Prescription Fund, Lutheran Mideast Development, River Valley Riders, Stillwater Area High School Senior Class Party, Store to Door, Tom Scheuerman Youth Fund of SCVF Sponsorship, Trinity Lutheran Church/Meal Packing Event, Unseen Angels, Washington County Historic Courthouse, Youth Service Bureau.

\$2,000 in scholarships to be awarded to 2 seniors from Stillwater Area High School.

\$3,000 awarded to 3 District and Global grants, **\$1,000 each**. The actual projects are: Infant Medical Assistance – Argentinean Republic, Books for Africa, and Street Girls Aid – Ghana, West Africa; all partnering with other clubs in our District/Region.

Finally, the board has approximately \$7,000 remaining in a discretionary account. A challenge will be forthcoming regarding partial use of these funds.

Tri-Club Mixer This Thursday

Chili & Hot—Not a Weather Report

"After three years of sociable mixers, we were looking to pooling our resources, fostering our friendly rivalry, and making a bigger impact," says **Tammy Malmquist, President of Lake Elmo Rotary Club** when describing the first-ever Tri-Club Chili Cook-Off.

In addition to **Lake Elmo**, the **Stillwater** and **Stillwater Sunrise Clubs** agreed to each select an individual through an internal contest who would place respective club reputations on the line.

The chili makers are determined to leave a lasting impression with the unbiased "Mystery Judges." Bragging rights will go to the club whose blue-ribbon winner will have everyone begging for the recipe.

Tammy, who has already acquired a traveling trophy, seeks to make a cook-off an annual event. She says, "I see each year being different, varying from pie to salsa, even including the cherished Minnesota hot dish."

Cook-off results will be known at the end of April when cooks, critics, and consumers of the hot and spicy gather at the Lake Elmo Events Center. It is legend that 19th century priests preached sermons against indulgence in a food said to be as "hot as hell's brimstone." Let's see if our 21st century Rotarians can create a chili that'll melt concrete.

Youth Exchange Committee

Our club, along with the Sunrise and Lake Elmo Rotary clubs, shares expenses and responsibility for the Rotary student exchange program in our school district. The "primary sponsor" responsibility rotates annually, and it's our turn in the upcoming Rotary year.

We need volunteers for:

- Interviewing outbound student applicants
- Host family recruiting and interviewing
- Periodic check-ins with inbound exchange students and host families
- Youth Exchange "counselor"
- Public outreach meetings
