Rotary District 5960-Fast for Hope

Hello from Japan!

I've been living here for the last month or so while Mike (my fiancé) works, and I mostly play ☺. We were up in the mountains this weekend, and I came across this sign, displaying the four way test. When I saw it, I squealed with delight and ran towards it to take pictures, and in doing so drew the attention of many other tourists. It's located in the mountain city of Nikko, which is home to many beautiful temples, shrines, and waterfalls. Anyways, seeing this made me realize how much I miss you all. Being a member of Rotary has been one of the best experiences I've had, and I miss it dearly!

Anyways, if you wanted to share this at the meeting on Thursday, as "good news", go ahead and fine Dave...if he shows up. Heck, I even miss him!!

Miss you all, and I hope you're doing well! I'll be back sometime in August or September...and then I get married in Stillwater in September... so be prepared in case I decide to show up! ☺
