District 5960 Opportunity of a Life-Time

**DISTRICT 5960 AND NICARAGUA
FAST FOR HOPE CULTURAL
EXCHANGE
October 13 thru October 21, 2012**

District 5960 Rotarians, Rotaractors, their spouses, significant others and friends are welcome to apply. In addition children, grandchildren, nephews and nieces of District 5960 Rotarians who are 14 years of age or older are invited to accompany their District 5960 Rotarian. This is scheduled for MEA weekend.

EVENTS: The purpose is to learn about the culture and history of Nicaragua, to meet the people, to learn about sustainable economic development and to see the beauty and scenery of the country. Each trip is different. We rely upon our friends at AKF to assist us in designing each trip.

ELIGIBILITY: In addition to the requirements listed above, each delegate must be in good health and be able to walk at least 100 yards (the length of a football field) on uneven trails. Unlike the States, ADA does not apply to Nicaragua. You will be navigating stairs and possibly trails in the mountains. In some delegations, we have lived with Nicaraguans in rural communities, which involved using outhouses and sleeping in hammocks. Because Nicaragua is 10 degrees north of the equator, the temperature does not vary much through the seasons and there is usually high humidity.

You do not need to be able to speak Spanish, interpreters will be provided, although on a group basis, not an individual basis.

To apply, contact me for an application and then submit it to me dave@bancorgroup.com (Dave Newman). Generally, qualified applications will be accepted in the order they are received. However, the Fast for Hope Committee

reserves the right to adjust the composition of the delegation depending upon the needs of a particular delegation.

COST: Each delegate will pay for their own airfare (which is usually between \$500 and \$800) plus about \$750 to cover food, lodging, in-country transportation (sometimes the back of a pick-up truck) and AKF's services.

WHY WOULD I WANT TO GO? So far District 5960 has sent twelve delegations to Nicaragua. Not one delegate has visited Nicaragua who has not thought it was a life-changing experience. Many of the delegates have visited multiple times. If you are willing to risk stepping out of your comfort zone, be assured you that you will be a changed person.

Other Rotarians who have brought children that you can contact for more information are:

WHAT WILL BE EXPECTED OF ME? Upon your return you will be expected to speak to your own Rotary Club about your experience as well as perhaps other clubs. It is our hope, but not a requirement, that upon your return that you will want to become involved in the Fast for Hope experience.

DEADLINE TO APPLY: We try to limit the size of each delegation to 12 people. We will stop accepting applications upon the earlier of (i) when the delegation has been filled or (ii) September 1, 2012. As a result if you are interested in going, the sooner you submit your application the better.
