Halloween: Workers should wear their orange Rotary shirts and be there between 4:30 and 5 pm. We're expecting 10% more kids this year for about 500-550 kids plus 1,200-1,500 parents. Park on the North Side of the building behind Wal-Mart. We got good press coverage including the KSTP News with Bill Lund.

Rake A Difference: Good Turnout, did not have to do the second home, it was already done.

Dawn's Closet at the Valley Out-Reach: The club will be collecting donations of gently used outerwear and new undergarments during the 1st 2 meetings in November.

Don't forget November 6, District Foundation Celebration, Prom Center, 6-10 PM, Let's support Craig.

Jeff Robertson was the Service Above Self recognition recipient this morning for his years of service and keeping us connected to Lakeview. Also Arba Della was asked to mention, thanks for giving Rick a job. ☺

NEXT WEEK'S PROGRAM

There is a touring group of students who go to schools and act out skits about things to be aware of while a teenager. They are called SOS and they will be hosted next week by Cheryl.

GETTING TO KNOW OUR MEMBERS

As part of a new initiative, the previous weeks host provides a semi-biographical introduction of the host for this week's program to help us to better know our membership. This week we will skip this because of a heavy agenda.

SERGEANT-AT-ARMS: Rick Robbins

Today is World Howl at the Moon Day. Anyone who comes from a rural area must have done this at one time in their life's with so little to do.....sooo please donate if you are from a rural area at one time...

Other important days ahead are National Mule Day and National Popcorn Popping Days.

Chuck gave a short report of Ute and his trip to Savannah Georgia, and thanked Paula for taking notes for last week's newsletter.

Jon Stillman reported that the Gates Foundation has made polio eradication their #1 priority.

Andy noted that Winnipeg is celebrating their 100 year anniversary as a Rotary Club. They were the first international club in Rotary History.

Lynda, mimicking Chuck's southern drawl, reported she was up north in Duluth.

Mary Parhceta reported that the Vodka in Russia was excellent.

Mark reported that his family and Laura took a car trip to Chicago. 5 women and him...he noted there must be a special place in heaven for people like him. The Science Museum was the highlight for Laura.

PROGRAM

Today is Vocational Visits including: Youth Protection and Strive, Visioning, Vocational Visits, April District Conference and Foundation.

April District Conference: Rick Cummins reported on progress with the April, 2012 District Conference. Features include: Don Selby as featured speaker, the conference will collect symbolic water from each club since the theme of the conference "A River Runs to It.", Cheryl will handle publicity.

Vocational Visits: Tim reported that they talked about some interesting possibilities, including Associated Eye Care, Medical Device Manufacturer in downtown Stillwater, and someone mentioned the King Plant. Tim noted that a member can choose such a visit in lieu of a speaker.

Foundation: Margie talked about the program in December, we have a great resource in Jon Stillman. She also mentioned the need and included the suggestion that we could use 100% participation by each member, the cost of a cup of coffee a week.

Visioning Process: Arba-Della reported that sometime in January this will be held on a Tuesday evening instead of a regular meeting. It would be from 5-9 PM. The effort is to design a 5 year plan to supplant the one we have. The present one is on the Website. Some concern was expressed about the length of the session.

Youth Protection: Don Schulte explained that anyone involved with youth under 18 must be certified by the District. You can get certified by going to [Youth Protection Training](#) it does not take that long.
