ANNOUNCEMENTS, REPORTS: Arba Della Beck, President

Arba-Della and Cheryl gave a short report and displayed flags from their visit to South Africa hosted by Rotary...7 clubs!!!!!! It was a great experience which they plan to give more details at a party hosted by Cheryl.

A motion by Mark was made, seconded and unanimously approved to appoint Dave Langer as President-Elect for 2013-14.

The Christmas Party is 6 PM, December 16 at the Gasthaus Bavarian Hunter Restaurant, signup being passed around.

On January 11, there will be **No Morning Meeting**, but instead there will be the Visioning Session that night from 4:45 – 9 PM. Please note the time; it is not 5:45 as noted on previous publications.

Salvation Army Bell Ringing is outside Cub Store on January 11, between 12 and 7. Don noted we are pretty well signed up except for the 5-6 PM hour times. He will write a note to all to fill these spots or let Salvation Army know that we cannot handle these hours. Brett noted that Salvation Army has raised \$1 million of their goal of \$3 million or about 15% behind last year. So your help would be appreciated.

Craig Leiser reminded us about the District Mid-Term meetings on January 8th and also asked for help in setting up that day.

Stillwater Noon Visitors Dolly Parker and Kathie Anastasi promoted their Stillwater Sampler Fundraiser. Tickets are \$40 and proceeds will be used to buy things like a freezer for Valley Outreach. The silent auction includes a wall of wine. The date is January 28, 6 PM at the Grand Ballroom in Stillwater.

The Service Above Self awardees this week were Mark Fisher and Dan Schmid, given special recognition for the service to our club by President Arba-Della.

NEXT WEEK'S PROGRAM

Next week Bruce Goldstrand will introduce Roger Miller and Mary Beata Zweber who will talk about their Bike Trip across America.

GETTING TO KNOW OUR MEMBERS

As part of a new initiative, the previous weeks host provides a semi-biographical introduction of the host for this week's program to help us to better know our membership.

Jason Hanlon introduced John Huenink. John's name is really Henry John Huenink. He is a native of Wisconsin, went to University of Wisconsin River Falls. He is married and has 3 children. He has worked for Kraus-Anderson for 16 years; he is an architect by training and has specialized in K-12 Schools. He loves to play golf with friends, family and with himself.

SERGEANT-AT-ARMS: Rick Robbins

Rick forgot his sport coat and pin this morning so he was the first one to fine. Rick's son is also not gainfully employed by Target and thus the famous discount applies.

Craig paid for his solicitation and announcement for the District mid-term meeting.

Cheryl announced that she and Arba-Della are now not just fellow Rotarians but friends, thanks for a chance to be together on their trip to South Africa.

Ed Boeve's son Ed had a baby boy making it actually a 5th generation Ed.

Ute Buehler welcomed her "dear" ☺ neighbor John "Dier".

Rick announced this is Pearl Harbor Remembrance Day.

PROGRAM

Dan Schwarz spoke for the 5 owners of the new Brewery in Town called Lift Bridge Brewery their website: [Lift Bridge Brewery](#). Dan described 2 beers [Farm Girl Saison](#) (click to get description) and [Crosscut Pale Ale](#). The five owners include Dan, Trevor Cronk, Steve Rinker, Jim Pierson, and Brad Glynn. Several of them live in the Legends Development in Stillwater. Most moved to Stillwater in 2001 and have been brewers in their homes for some time. They all have full time jobs besides the brewery. Some interesting facts learned by this writer were that hops is added to take the sweetness out the initial brew. At one time when hops were expensive they used grapefruit to add the bitterness and that is how the Crosscut Pale Ale got its flavor.

They plan on many more beers and already you can find them in restaurants in Stillwater and Liquor Stores and throughout the State of Minnesota. They have and continue to be part of our Brewer's Bazaar. They feed their left over mash from the brewing process to cows and they use Stillwater water but filtered by charcoal filters. It is not an easy business to get into required to meet all sorts of regulations. They will brew 2,000 barrels per year. They began by brewing their beer at various breweries in Minnesota and Wisconsin. Their new site is on Circle Drive, behind Herbergers and next to the Food Shelf. They have 3 full time employees, 2

distributors and a Brew Master.

JOKE OF THE WEEK

Why Sharks Circle You Before Attacking

Two great white sharks swimming in the ocean spied survivors of a sunken ship. "Follow me son" the father shark said to the son shark and they swam to the mass of people. "First we swim around them a few times with just the tip of our fins showing." And they did. "Well done, son! Now we swim around them a few times with all of our fins showing." And they did. "Now we eat everybody." And they did.

When they were both gorged, the son asked, "Dad, why didn't we just eat them all at first? Why did we swim around and around them?"

His wise father replied, "Because they taste better without the shit inside!"
