Arba Della presented Chuck Buehler a Rotary Mouse Pad, recognizing his work with the newsletter each week. #### **SERGEANT-AT-ARMS: Rick Robbins**

August 24 is National Waffle day.

Today, rather tomorrow, will be full moon in Stillwater and it is so bright with such a clear sky. So Rick Robbins had a Moon quiz... 1) who is Keith Moon, 2) How many men have walked on the Moon, 3) If you drove a car to the moon at an average of 75 mph. how long would it take. 3) How high is the tallest mountain on the moon? Answers can be found below this weeks joke.

Ute said to Laura..." Willkommen in Minnesota, wir werden dich wohl besser kennenlernen."

Andy's father in law went to buy some clothes at Kohl's and came back with a new car purchased at Stillwater Motors. Michael sure has some great salesman.

Craig has visited 35 clubs in his job as District Governor, out of 69, he is halfway.

## **PROGRAM**

Marna Canterbury, Executive Director gave a United Way Update. Marna's education as a dietician and in public health. She has been at United Way for 2 Years. Our club has a long history of volunteering for United Way, members Margie Horning, Mike Holsten, Jeff Robertson and Bob Rupp have all been named as Volunteer of the Year over the past few years.

What Marna likes about Stillwater and which makes her job easier is that it is a stand alone community. The Fund has supported the community for 60 years. What makes it work so well is that the local United Fund is truly local, run by local people.

They have a very good strategy: their vision is to build a stable foundation and a hopeful future, their mission to unite our community, work together to build a better life and their plan is volunteer driven and volunteer led. Each year they have 45 volunteers. For example Arba Della serves on their board. They contribute to four areas: basic needs, youth, health and self sufficiency. The latter is badly needed as we are graying as a population faster these days.

They help those who are Hungry, seniors, jobs help, caregivers, Fair for all health foods to name a few. On September 14 there will be a kickoff breakfast featuring Bill Lund who is a KSTP anchor and lives in Stillwater.

## **JOKE OF THE WEEK**

He responded, "3 were on a can of beer, 2 were on the phone."
