Our secretary Janis Donnelly was featured today. She has been a Rotarian here in Stillwater since 2008. She came to Stillwater from New Jersey where she was born. She introduced Robin Anthony.

PROGRAM:

Robin Anthony, the executive director of the Stillwater Chamber gave us a summation of this organization which is celebrating its' 125 year anniversary having been founded in 1891. In there new vision statement the core values center on more community involvement. Robin is speaking now to High School classes for example.

They have recently moved to new offices in the Chestnut building. They have plans for some social events for their members (We are members) including a social at the Elk's club involving beer and bingo...!!!!!!

They a planning a ribbon cutting ceremony when the bridge is complete inviting as many dignitaries as can make it. The big thing this winter will be the new Ice Castle to be built on the river behind the Water Street Inn. It will be

open weather permitting after Christmas and stay open till the ice melts. If successful it will be a mainstay each year but be near P.D. Pappy's in future years because this year Stillwater is host to Minnesota Hockey Days which will have a rink there.
