CLUB BUSINESS AND ANNOUNCEMENTS: President Shari Clifford

Board actions: 16/17 items, Grant in Kenya, Books for Africa

Ned Gordon presented with Literacy award by Don Schuld for his many years of contributions on the Board and on various committees for the Stillwater Public Library. Congratulations to Ned. Here is a summary of the award from the library.

"Ned Gordon served on the Stillwater Public Library's Board of Trustees from 2007 through 2015, the full nine years that are allowable by State of Minnesota Statute. During that time he served on the Long Range and Strategic Planning Committee, the Facilities Committee, the Policy Committee, the Finance Committee, and the AV Task Force. Ned also held several offices on the Board. He was Secretary of the Board in 2007-2008, Vice President from 2009-2010, and President 2011-2012.

Throughout his nine years of service, he conducted library business with an eye on the big picture, helping to enhance the library's ability to serve the public as library users' needs and wants changed. He helped the community grow into an enlarged and enhanced library facility; weather the financial difficulties of the Great Recession; and make the transition to a more electronic future. The only times that Ned swerved from that big picture was when his early training as an English major would not allow him to overlook sins of syntax, word usage, or punctuation!

Ned helped the Stillwater Public Library grow as a vital resource at the heart of this community. He takes part of that heart with him to Woodbury!"

THIS WEEK'S JOKE

Running Away From a Cop

A man in his mid-forties bought a new BMW and was out on the interstate for a nice evening drive. The top was down, the breeze was blowing through what was left of his hair and he decided to see what the engine had.

As the needle jumped up to 80 mph, he suddenly saw flashing red and blue lights behind him. "There's no way they can catch a BMW," he thought to himself and opened her up further.

The needle hit 90, then 100, and finally reality hit him and he knew he shouldn't run from the police, so he slowed down and pulled over.

The cop came up to him, took his license without a word and examined it and the car.

"It's been a long day, this is the end of my shift and it's Friday the 13th. I don't feel like more paperwork, so if you can give me an excuse for your driving that I haven't heard before, you can go."

The guy thinks for a second and says: **"Last week my wife ran off with a cop. I was afraid you were trying to give her back."**

"Have a nice weekend," said the officer, and walked away.
