## **GETTING TO KNOW OUR MEMBERS:**

Lynda Halbert was born in Studio City near Los Angeles and Hollywood. She loves to write, taught 7th grade English and worked for the Cedar Rapids Gazette as well as Arcola Mills Foundation. She is a big fan of the Beatles.

## **PROGRAM:**

Lynda Halbert introduced Stan Turner, Program Host at KLBB Radio. He is very well known in the Twin Cities as a news journalist. He is presently working for KLB the local 1220 radio station. He worked for many years at KDWB Radio and with KSTP Channel 5 TV news. At KLBB here in Stillwater he hosts a "All Request" music show on weekday afternoons.

Stan, a graduate of Journalism at U. of St. Thomas, has hosted an interview show as well as the music show. His latest interview was Bobby Rydell. He puts in a full day, especially the music show, not only playing requests but giving some interesting background about the musicians or the music. They have an amazing team who can quickly find the song requested and search for the background. For example some tidbits of background like it took a long time before they realized Elvis Presley was not black but he was a genius who combined the gospel with country and western. Stan put in a plug for the book about Rock and Roll in Minnesota which we were fortunate to have its' author at one of our recent meetings.

## **THIS WEEK'S JOKE**

### Tips for a Older Person

The location of your mailbox shows you how far away from your house you can be in a robe before you start looking like a mental patient.

My therapist said that my narcissism causes me to misread social situations. I'm pretty sure she was hitting on me.

My 60 year kindergarten reunion is coming up soon and I'm worried about the 175 lbs. I've gained since then.

The speed with which a woman says "nothing" when asked "What's wrong?" is inversely proportional to the severity of the storm that's coming.

If I make you breakfast in bed, a simple "Thank you" is all I need, not all this, "How did you get into my house" business!

The pharmacist asked me my birth date again today. Pretty sure she's going to get me something.

On average, an American man will have sex two to three times a week. Whereas, a Japanese man will have sex only one or two times a year. This is very upsetting news to me. I had no idea I was Japanese.

I think it's pretty cool how Chinese people made a language entirely out of tattoos.

What is it about a car that makes people think we can't see them pick their noses?

Money can't buy happiness but it keeps the kids in touch!

The reason Mayberry was so peaceful and quiet was because nobody was married. Andy, Aunt Bea, Barney, Floyd, Howard, Goober, Gomer, Sam, Earnest T. Bass, Helen, Thelma Lou, Clara ... and, of course, Opie-- all single.\_The only married person was Otis, and he stayed drunk.
