Please Note that During Election Seasons: Elected officials or announced candidates may not speak to Rotary after June 1 in the year they are up for election.

If your program highlights one of Rotary's six areas of focus, feel free to mention the area when you introduce your program. **1. Water & Sanitation 2. Education and Literacy 3. Peace and Conflict Prevention/Resolution 4. Maternal & Child health 5. Economic Development 6. Disease Prevention & Treatment**

Please remember this is a 3-week commitment:

- Week before.....Announce Program & Speaker

- Week of Scheduled Program.....Introduce Yourself and Your Speaker

-Week after ProgramBring Gift, Conduct Raffle

-Your speaker will have 20 minutes to present.

If the Tuesday you've been assigned isn't convenient, please arrange to swap dates with another member. (Call Tim Trooien 651-439-3153, or email timtrooien@comcast.net if you do switch.)

And remember: You will be assessed a \$30 charge if you forget to conduct the raffle!

Please send your background and announcement to Mel for her directory. She is almost there.

Welcome to Jerry our new member, approval was unanimous.

Craig, dressed in bright orange gotten from his role as escalator monitor at the convention, spoke about some of the features of the convention. 37, 000 in attendance, speakers included Bill Gates (will sponsor for another 3 years, Andrew Young (famous civil rights activist), Jack Nicklaus golfer (had polio as youngster a mild form but sister much more severe). It was amazing to see the various countries and people step forward and donate millions of dollars to help

Rotary to reach their goal to eliminate Polio of 1.5 Billion dollars. Gates donated \$450 Million, Canada \$110 million, Germany \$65 million and Rotary \$140 million. Still need \$300 million. While on his feet Craig gave an update on how our club did in donations to the Foundation. 2014 \$3,025 (\$277 per capita), 2015 \$5399 (\$209 per capita) 2016 \$6015 (237 per capita) and to date 2017 \$3820 (\$180 per capita). We were 6th in the District.

Also it is the 53rd wedding anniversary of Craig and his wife Nina. He is donating \$530 and also is matching anyone who will do the same up to \$530.

Mel noted a recent article which pointed out that our own's Pete Smith's architectural firm is the 3rd largest in the US or Minnesota?

Susannah Torseth noted that she is now a partner in her law firm.

Rick pointed to the ESR golf tournament coming up.

Jon Stillman has a 56th anniversary coming up and is making donation to the annual fund.

Ute donated to announce she has lots of Germany books on history, fiction, reference etc... to give away and if anyone interested let her know.

Ken Mc. Substituting for Rich C. announced that next week's program will be Mike Hoefler (HAF Architects), talking about the new boutique hotel on North Main Street.

Dan has been a member for 10 years thanks to Orwin. He recently retired and worked for 3M for 40 years. He now spends winters in Austin and the rest here in Stillwater. His expertise with 3M was in environmental engineering.

This is how he met his friend Mike Hensel our speaker.

PROGRAM

Mike introduced us to the Duluth Complex which holds so much metal resources, gotten their through volcanic activity millions of years ago. Besides Steel, it is an area rich in copper, platinum, palladium, gold, silver and titanium. The deposits represent 25% of the US deposits and 12% of the world deposits. Many exploratory wells have been drilled in the area. Polymelt has committed to mining an open pit mine and is in the middle of getting many of the permits. Since they are reasonably near the Boundary Waters Federal permits apply. The mitigation of the mining is extensive since the waste is sulfur containing and thus acidic when exposed to Oxygen and has to be disposed of carefully. They are proposing to use some of the old iron ore processing plants. Applications for example are 640,000 pages long. At one point there were 15 agencies they had to deal with. ("Sounds like Stillwater Bridge," said Cheryl). Other firms interested and will require below ground mining.

WEEK'S JOKE

- > She was a very good-looking woman
- > and determined to keep the ranch, but knew very little about ranching, so
- > she decided to place an ad in the newspaper for a ranch hand...
- > Two cowboys applied for the job. One was gay and the other a drunk.
- > She thought long and hard
- > about it, and when no one else applied she decided to hire the gay guy,
- > figuring it would be safer to have him around the house than the drunk.
- > He proved to be a hard worker who put in long hours every day and knew a lot
- > about ranching..
- >
- > For weeks, the two of them worked, and the ranch was doing very well.
- > Then one day, the rancher's widow said to the hired hand, "You have done a
- > really good job, and the ranch looks great.
- > You should go into town and kick up your heels." The hired hand readily
- > agreed and went into town one Saturday night.
- >
- > One o'clock came, however, and
- > he didn't return.
- >
- > Two o'clock and no hired hand.
- >
- > Finally he returned around
- > two-thirty, and upon entering the room, he found the rancher's widow sitting
- > by the fireplace with a glass of wine, waiting for him.
- >
- > She quietly called him over to her..
- >
- > "Unbutton my blouse
- > and take it off," she said.
- >
- > Trembling, he
- > did as she directed. "Now take off my boots."
- >
- > He did as she asked, ever so slowly.. "Now take off my socks."
- >
- > He removed each gently
- > and placed them neatly by her boots.
- >
- > "Now take off my skirt."
- >
- > He slowly unbuttoned it,
- > constantly watching her eyes in the fire light.
- >
- > "Now take off my bra.." Again, with
- > trembling hands, he did as he was told and dropped it to the floor.

Then she looked at him and said, "If you ever wear my clothes into town again, you're Fired."

President John Germ, Rotary International

Governor Jim S. Hunt - District 5960
