

## Calendar

2018-19

The priority for the mentors should be to commit to the **small group meetings (bolded in the schedule below)**, which are almost always the 4<sup>th</sup> Friday of each month (Sep & Nov being the exceptions). That is only nine meetings to commit to including the Orientation meeting and the first meeting with students the first two weeks of September. In addition, mentors and students will both benefit from mentors attending the eight meetings designed to have a speaker and very little small group time. That's a total of 9-17 in-school commitment hours for STRIVE Mentoring mentors.

This schedule is subject to changes based on the school and teacher needs and opportunities in the classroom. *Last updated 2/8/19.*
