# NOTABLE DEPLOYMENTS

A large military transport aircraft, likely a C-17 Globemaster III, is shown with its cargo door open. The aircraft is filled with thousands of green plastic water jugs, which are being unloaded onto the ground. A large number of personnel, including military and civilian workers, are visible inside and around the aircraft, managing the distribution of the supplies. The scene is set outdoors, with a residential building visible in the background.

# NOTABLE DEPLOYMENTS

An aerial photograph showing a vast field of white, dome-shaped tents arranged in neat rows. The camp is situated in a dry, open area with some scattered trees and a few buildings in the background. A blue truck is visible on the left side of the camp. The overall scene depicts a large-scale humanitarian deployment.
