

Sponsorship Opportunities

A Humanitarian Project of The Rotary Club of Menomonee Falls.

We help construct latrines
which provide healthy and safe sanitation for the people of Haiti.

Laughs for Latrines

A **FUN**raiser for Haiti

Dear Community Supporter,

The Menomonee Falls Rotary Club is excited to offer you and your business the opportunity to be a part of a Magical Fundraiser, "Laughs for Latrines".

All proceeds will be used to build sanitary bathrooms (latrines) for the people in Haiti, who live in poverty and unsanitary conditions as a result of political unrest and natural disasters. The cost to build a single latrine in Haiti is \$700.

The FUNraiser is June 18th, 2015, at Silver Spring Golf Club in Menomonee Falls. Registration begins at 5:45pm, and the program will end at 7:30pm. Jeff Campbell, who has been dazzling people with magic for over 50 years, will provide entertainment. The event will include Hors D'Oeuvres, (cash bar), entertainment, and a raffle with great prizes.

We are looking for corporate partners to help make this project a success. The following page lists several sponsorship opportunities including the special benefits of being a sponsor partner. 100% of sponsorship funds go directly towards the funding of the latrine project. All sponsors receive a number of admission tickets based on the sponsorship level.

We hope you and your co-workers will attend this FUN, worthwhile event. Tickets are only \$25 and are available thru June 12th, at www.MenomoneeFallsRotary.org.

We encourage you to join us in supporting this important cause, while enjoying delicious Hors D'Oeuvres with fellow community and business leaders! With your support, you can help make this very important project a reality and help families many miles away who desperately need our assistance.

If you have any questions regarding the event, please feel free to contact us at laughs.for.latrines@gmail.com.

Sincerely,

Duane Peterke

Laughs for Latrines Committee Chairman
Menomonee Falls Rotary Club
