The Gary P. Grunau and Susan Grunau Dragisic Memorial Scholarship

Rotarian Joanne Grunau established a scholarship in memory of her late husband, Gary P. Grunau and his sister, Susan Grunau Dragisic. Born and raised in Milwaukee, Gary and Sue devoted their personal and professional lives to improving Milwaukee. By supporting the

education of Milwaukee's young people, this scholarship serves as a fitting tribute to Gary and Sue's commitment to the future of the city, and as a continuation of the work about which they were both passionate.
