

Please join us in honoring the Rotary Club of Milwaukee's graduating scholars from the **Class of 2026!** We wish them a future filled with success and purpose. This milestone is shared by our community, and we extend our sincere gratitude to the Rotarians who invested in these students through mentorship and generous financial support.

For More Information on the Rotary's Scholarship program, please visit our website: [Undergraduate Scholarship Applicants | Rotary Club of Milwaukee](#)

[Monserrat Cruz](#) graduated from Mount Mary University with a B.A. in Business and minors in Spanish and Studio Art. She was awarded the Alpha Mu Gamma Award for Excellence in Spanish Language Studies. Monserrat was a recipient of the Gordon and Elizabeth Smith Scholarship and was mentored by Samantha Maldonado.

[Yahir Gonzalez](#) graduated this past December from MSOE with a degree in Mechanical Engineering. He now works at Eaton as a manufacturing engineer. Yahir was a recipient of the Carol James Scholarship and was mentored by Saj Thackenkary. (Pictured on the left is Yahir, with Saj on his right).

[Kendall Harris](#) graduated with honors from the University of Wisconsin-Milwaukee with a degree in social work. She was a recipient of the Gary P Grunau and Susan Grunau Dragisic Scholarship and was mentored by Laura Arnow. She recently started working for Well Point as a Case Manager.

[Leah Moore](#) will graduate in September 2026 from Herzing University with a Bachelor of Science in Nursing. She was a recipient of the Sister Camille Kliebhan Scholarship and is mentored by Jackie Herd Barber.
