# Seven Questions with an RCM Scholar

RCM Scholar Dalicia Simpson will graduate from the University of Minnesota -Twin Cities in May 2021 with a degree in Development Psychology and Pre-Medicine. During her time in the Scholarship Program, Dalicia has been mentored by Rotarian Jackie Herd-Barber. We wish Dalicia all the best as she completes her final semester and prepares for graduation!

1. **What's your favorite class this semester and why?**
   My favorite class this semester is my medical Spanish class. I enjoy learning how our illnesses and diagnoses translate to the Spanish language, and I am also learning about medical problems that are more prevalent in Hispanic and Latino communities, which is very eye opening!

2. **What music are you listening to right now?**
   I am listening to Ari Lennox, Jhene Aiko or Beyonce.

3. **How do you relax?**
   To relax, I usually take naps. If I do not feel like taking a nap, I watch random videos on YouTube (cooking and vlogs especially), or start binge watching a new show.

4. **Where do you want to be in 5 years?**
   In 5 years, I will be 27 years old (yikes!) and will be going into my residency program for either pediatrics or child psychiatry.

5. **What has been the biggest challenge of attending college during the pandemic?**
   The biggest challenge of being in college during a pandemic is having the drive and motivation to continue going and not give up. Sometimes, online school can be overwhelming and extremely stressful.

6. **Where do you want to visit someday?**
   One day I plan on visiting Paris, Antigua, and Los Cabos.

7. **How will you celebrate your graduation?**
   Because our graduation is virtual (sadly), I will be celebrating by moving into my own apartment and hopefully planning a trip to Disney World or somewhere in Mexico! I will hopefully also be with my close friends and family eating cake and de-stressing from my 4 years of college.
