It is focused on the relationship among Public Image, The Rotary Foundation / Humanitarian Service, and Membership. The objective is to solidify Rotary's 2017-18 annual theme of **Making a Difference** and the Rotary Public Image Campaign: **People of Action**. About ½ of the time is devoted to idea sharing and action development in small groups. The goal is for people to get to know other Rotarians from our District and share ideas that they can take back to their clubs to do the work of Rotary.

## **Summer Youth Exchange Coordinator Needed**

KELLY MUNDELL, District 6270 RYE Chair

Changes in our District (new By-Laws, Incorporation) allow us to re-initiate our D6270 Short-Term Youth Exchange Program. But, we need someone with a passion for youth exchange to coordinate the program. Are you passionate about paperwork, youth, and international initiatives? I know - some of you said "paperwork - ugh!" and quit reading! If you're up to the challenge anyway, we have some great students in our district that would like to go on a short term exchange to another country and need our help. This position has responsibilities certain months of the year depending on the number of students interested and how much help they need with paperwork. We are partnering with a very experienced district - District 6250 from western Wisconsin - who will help get us up to speed with this program. You will be paid in hugs, smiles, and stories! If you are interested, contact Kelly Mundell at [ryechair@rotary6270.org](mailto:ryechair@rotary6270.org).

West Bend Sunrise Rotary would like to thank the large group of volunteers we had this AM to help unload, prep and begin set up of Enchantment in the Park 2017! West Bend West Basketball had a large contingent too!

It's great to have new members eager to get involved and make a difference in the community and the world. Jonathan and Travis are pictured here with President Joe Zaremba. ## **Trees**

Rotary Clubs Plant Lots of Trees. On October 16th, members of the North Shore, Mequon-Thiensville Sunrise and Amigos de Milwaukee Rotary Clubs came together to plant 203 trees and shrubs at the Mequon Nature Preserve. With this partnership, these clubs made new connections and friendships, took one step closer to their Presidential Citation, and moved that much closer to achieving the Rotary International goal of planting one tree per Rotarian. DNR. The Rotary initiative on Planting Trees made it to the Wisconsin Department of Natural Resources' Facebook page on October 25<sup>th</sup> in a Post: "Wisconsin Rotary Clubs: Planting Trees Across Wisconsin." Check it out: [https://www.facebook.com/pg/WIDNR/posts/?ref=page\\_internal](https://www.facebook.com/pg/WIDNR/posts/?ref=page_internal).

Two Rivers. Will coordinate tree ordering in December with Woodland Dunes Nature Center.

West Bend. West Bend Sunrise Rotary has partnered with West Bend Friends of Parks on a West Bend Restore Park Tree initiative. Both of our groups will give \$2,500. In turn, West Bend Sunrise President Joe Zaremba's employer, Microsoft will match our \$5,000 for a total of \$10,000. Then Modern Woodman will match that \$10,000 donation over a four year period (two years committed) for a total over four years of \$20,000. What a great opportunity to help our parks! Now trees are expensive but we want to purchase trees that will survive the deer and the weather so we are thinking four trees per thousand. Quick math, this will give us 80 nice trees!!!

Tree Planting Tracker. Brian Monroe, our District 6270 Project Coordinator for Tree Planting wants to know about your club's project and success.
