Waukesha Rotary Club - Face to Face Meetings

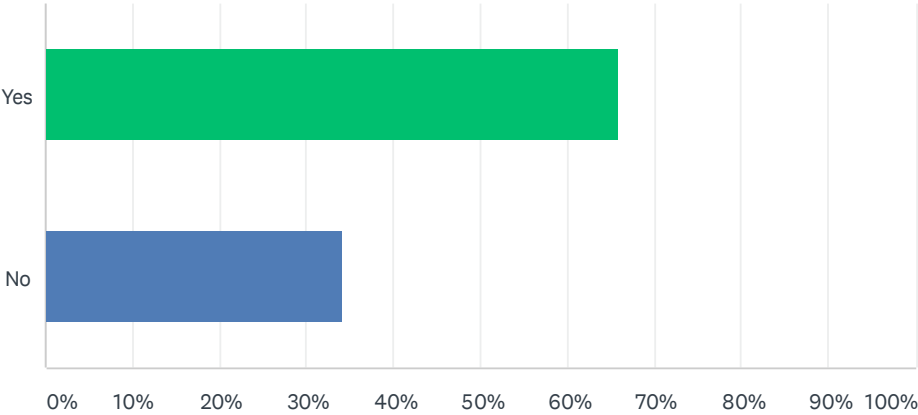

#	RESPONSES	DATE
1	Our corporate membership will need to go back to just Kathy Branton @ FFBWI-Joe Korban has recently resigned and we currently do not have a replacement in the near future.. I can commit to every other Monday for in person Rotarian Meetings.	6/22/2020 11:27 AM
2	A combination face to face and Zoom meeting would be a nice accommodation for the time being however if too difficult or even not possible due to the lack of WiFi at the Rotary building it would be understandable	6/19/2020 10:44 AM
3	I am not sure what meetings that I would be willing to attend. I am concerned that we do have many members that are in the more susceptible to Covid-19 class. I am willing to do zoom or face 2 face.	6/17/2020 3:10 PM
4	it is hard for me to commit to definite date for meetings as we are moving to virtual programming and working on some big projects with outside consultants so I don't want to say yes and then have to back out and goof up your lunch counts etc. As always if I am able to go I'll attend meetings virtually or in-person.	6/16/2020 9:02 PM
5	I am ok with beginning to meet face to face. Honestly, the zoom meetings are extremely convenient. With summer and school being out I wouldnt have to arrange for a sitter with Zoom. Though not helpful, I'm good either way.	6/16/2020 2:27 PM
6	It seems like we will know quite a bit more about the status of the virus and how it is spreading in another month.	6/16/2020 2:23 PM
7	I would have answered question one as, maybe. But that wasn't an option as I was forced to give a yes or no answer. I really want more information as to how social distancing will be accomplished with regard to seating. I am physically able to attend July 6th, but didn't want to commit to the date, because, we are traveling to Las Vegas for Rich's 21st Birthday, 6/28- 7/3. I thought I should self quarantine for ten days after traveling, as it is safer, and best for other members, that I do not attend after taking two flights, and being around many people in Vegas.	6/16/2020 2:14 PM
8	I would possible rethink this starting in August, after seeing what the next 4-6 weeks bring from the current businesses opening and other restrictions being lifted - if cases stay low, I am more likely to attend in-person meetings. I'm also wondering about offering both - it may be too much administrative work, especially to track attendance to know a number for lunch prep. I'd be willing to brainstorm/troubleshoot how people could still "attend" virtually if they are not ready to join in person, if that would be helpful.	6/16/2020 1:14 PM
9	I understand that we have a number of members who are older and in the category of most susceptible to the COVID virus. I would understand if the current format remains in place for a while longer.	6/16/2020 12:07 PM
10	If I did have to miss any of the meeting dates I checked "yes" it would be for vacation that I may end up taking.	6/16/2020 12:04 PM
11	It simply would not be safe to gather at this time.	6/16/2020 12:00 PM
12	Wish I could do in person, but I can't!	6/16/2020 11:48 AM
13	It is hard for me to Zoom meet on my employment situation. In person meetings work best for me.	6/16/2020 11:37 AM
14	In light of the demographics of our membership and the research suggesting a second "wave" of infections, I think it is very important to exercise great caution in resuming in person meetings. It is my opinion that continuing in-person meetings at this time puts our members at risk and exposes the Club to potential liability if someone were to contract Covid-19 after attending a meeting.	6/16/2020 11:32 AM
15	At this point, I am available for all of the meetings listed. Unfortunately, other things can come up that will interfere with my ability to attend.	6/16/2020 11:32 AM
16	I am back at the office full time and do not have a private area available to attend meetings via Zoom	6/16/2020 11:29 AM
