

Dear Waukesha County Nonprofit Organizations,

The Waukesha Rotary Club commends the work you do to make our communities better. We have been pleased to support your efforts since 1921 when the Waukesha Rotary Club was organized.

In a normal year the Waukesha Rotary Club Charitable Fund Inc. would be soliciting funding requests with a due date of April 1. Unfortunately, the Covid-19 pandemic caused us to cancel our two annual fundraising events last year - our Pancake Breakfast and BluesFest. Since we are currently evaluating our fiscal ability to support community organizations efforts for 2021, we ask that you hold off on making funding requests until further notice.

We look forward to returning to normal in the future and being able to continue to support your organization's programs.
