

**Sue Opper**  
**Waukesha County District Attorney**

Sue Opper, recently appointed to fill the remainder of Brad Schimel's term as Waukesha County District Attorney, is a 23-year veteran of the Waukesha County prosecutor's office, and has drawn particular praise for her leadership of the office's drug unit. Her work is largely credited for Waukesha County leading the state in the number of so-called Len Bias prosecutions, which involve people who supply drugs that wind up killing the users.

Sue earned her JD from Marquette University Law School in 1991, after getting her BA from UW-Madison. Her former positions with the Waukesha County Prosecutor's Office include many years as an Assistant DA and as Deputy DA before her current appointment.
