April 15, 2024

For over 36 years, the Midland Morning Rotary Club has given back to the Midland community in a variety of ways. The money we have raised has been used for grants to improve the quality of life through support of youth programs and camps, local park renovations, programs for the elderly, and services to help those in need.

We are requesting your support for our work through sponsorship of our annual Rhythm & Brews Festival. The funds generated will be designated this year to support Early Childhood Education and other community grants. The event will be held on Saturday, September 21, 2024, at the old farmers market location at the end of Ashman Street.

We have two sponsorship levels for your consideration: *Rhythm Sponsor* for \$350 which includes your name displayed on the promotional items, our Facebook “event” and on banners at the event, and *Brew Sponsor* for \$600, which includes 4 complimentary tickets, name and logo displayed on the promotional flyer, our Facebook “event”, and on a banner at the event.

Thank you for your consideration in partnering with the Midland Morning Rotary Club. With your help, we can continue to provide financial support to worthy organizations that provide valuable resources to our community!

Sincerely,

Sue Moody
