Scott Struchen tells Ottawa Rotarians about happenings at the Tangled Roots Brewery.

Tangled Roots Brewery

Last week Scott Struchen gave an update about happenings at the Tangled Roots Brewery and The Lone Buffalo. He said that the Lone Buffalo is growing and that they recently hired a new chef, who used to be the chef for the Uptown Bar and Grill in LaSalle. The Tangled Roots side is hiring two new Beer Ambassadors. They currently have anywhere between 98-108 employees.

He said that he is most often asked about their plans for the old Carson Pirie Scott building. The lower floors will be open for retail, while the upper floors will house something akin to a Civic Center. There will be an area that will be able to seat 350-450 that can be used for special events. It will house another restaurant. There will also be a greenhouse on top that will be used for aquaponics, where they will be able to grow vegetables and other plants which will be used in the Restaurants. There will also be an area that will overlook Washington Park where people can gather.

He told the Ottawa Rotarians that Tangled Roots Beer is the fastest growing seller of beers in Illinois, and one of the fast growing nation-wide.

THE ABC's OF ROTARY

by Cliff Dochterman

The 4-Way Test

One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test." It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicagobased Club Aluminium Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians. "Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
