

Rotary Club of Rockford Flag Service Order Form

In a Nutshell...

YOU – write out a check for \$60, made out to the Rockford Rotary Charitable Foundation and fill out the order form below. Submission information can be found at the bottom of the form. Your subscription is good for 1 year.

WE – call Julie to ensure a safe installation and work with you to determine the proper location for your flag installation.

WE - show up at the address indicated on the order form and install your flag. We are planning to have your flag installed for Flag Day (June 14). Our team will insert a PVC pipe in the ground – at least 10 feet from the street and 5 feet from sidewalks or driveways – to place and fly your flag. Each flag will also be illuminated at night by a solar spotlight, placed by our team.

YOUR FLAG – will stay up through Flag Day and Independence Day.

WE – remove your flag after July 5, pick up the solar spotlight, and cap your PVC sleeve. The cap and sleeve will be at ground level – no problem mowing over the cap!

WE – return to each flag participant in late August to reinsert your flag and spotlight. Your flag stays up through Labor Day and 9/11. Flags and spotlights will be picked up shortly after September 11. You'll be set for when we return to install your flag for Memorial Day 2019.

All proceeds will be applied to our growing Rotary Academy!

FLAG PLACEMENT INFORMATION Please use a different order form for each location

First Name	Last Name	
No. of flags for this location	Company
