

Letter from the Tri-District Membership Steering Committee “Promoting Our Clubs and Growing Our Membership”

Hello Rotarian,

We hope that this email finds you in good health and spirits. Even in these challenging times, Rotary continues to provide the leadership and financial resources to help our communities and those we serve.

We are writing to inform you about this exciting program that will take place in September to help us engage and energize our members. This year our three districts (6600, 6630, and 6650) have come together for a third year in-a-row, but this time in a virtual format due to the COVID-19 situation.

“**This is Our Moment**” as stated in the recent *Rotarian*, and this is a good time to **open the doors to the opportunities** now given to us. We believe we have put together a program that is even more relevant for what our clubs and their members are experiencing, and certainly more convenient for your participation.

To make the best use of your time, we will be holding 2 two-hour meetings (on Tuesday, September 15 and Wednesday, September 23) in the early evening (6 to 8 PM). You can attend either or both meetings via Zoom at no cost. Our welcoming speaker on the 15th will be **Past Rotary International President Barry Rassin (2018-2019)**. On the 23rd our welcoming speaker will be **District 6690 Membership Chair Jenny Stotts from RC of Athens Sunrise, Ohio**.

We have a choice of four breakout sessions on each night. You can attend one breakout session in each of the two meetings. The sessions are:

1. **Keeping Clubs Vital**
2. **Making Rotary Work**
3. **Sharing the Joy of Rotary**
4. **Building on your Momentum**

These programs will appeal to all interested Rotarians. We encourage clubs to have several representatives in attendance, who can later pool their information to formulate plans to reinvigorate their clubs and facilitate future growth.

Reasons to Attend

1. Great program with stimulating discussion of relevant topics.
2. Chance to meet other Rotarians from your district and beyond.
3. Convenience (no travel or expense, two opportunities to participate).
4. A way to jump start your club.
