### Guidelines for A Newark Rotary Grant

A thirty (30) day written notice is required for any request.

Grants are not automatically repeated. An application needs to be submitted within each fiscal year for which a grant is requested. The Rotary Year is July 1<sup>st</sup> to June 30<sup>th</sup>. Applications will be accepted July 1<sup>st</sup> through March 1<sup>st</sup>.

Typically, Rotary is interested in supporting targeted projects that address: health and hunger, peace and conflict prevention and resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, economic and community development. Grants will **NOT** be awarded to the following:

- a) Organizations which practice any form of discrimination.
- b) Organizations whose primary focus is political lobbying or campaign of candidates for public office.

Rotary welcomes the opportunity to collaborate with other service organizations to advance specific goals consistent with the above.

Grant Applications are evaluated as follows:

- a) The grant is expected to have a group of beneficiaries and not just a single individual.
- b) The Board of Directors will review all qualified applications. Prior to Board review, a Community Service Committee member shall be assigned to conduct a personal interview with the applicant and then report to the full Community Service Committee. A member of the Community Service Committee will then present the request with his/her recommendation(s). All applicants will be notified in writing of the Board of Director's decision in a timely manner.
