Fines, Happy Bucks, Confessions:

- Eric VanZeilen was happy to be back with us again, and announced the birth of twins 8 weeks ago.
- Margaret attended a Brooks girls' weekend, along with 4 daughters and 2 daughters-in-law. Also, she wanted us to know that her granddaughter Amber would be playing on the US Women's Soccer team vs Brazil. The match was to be carried live on NBC Sunday at 3:30pm.
- Dave S confessed that he tried very hard to make last week's meeting, and figured he would just have time, but on arrival at the Legion, he realized we were meeting at Parkwood that day.
- Eric and Edie took a little trip in their RV – 23 days away. They visited 20 states en route to weddings in Colorado and Virginia.
- Tom Breen spent a week at Walt Disney World in Florida, where the weather was sunny and warm. He wanted to thank Margaret and Dianne for filling in while he was gone.

Our guest speaker today was Jeremy Bricks, head of the transportation dep't for the Palmyra-Macedon Central School District. Mr. Bricks oversees all the drivers and maintenance people, and coordinates with the government agencies which regulate school bus operations. His topic today was school bus safety, and he wanted to inform us about the procedures all drivers must go through before taking their bus out each day. He brought with him the ultimate visual aid - an actual school bus - and invited us outside to "check it out."
