Kim and Mark presented about the Rotary International Convention, held this year in Sydney, Australia. They showed us some pictures of Sydney and the area, as well as some of the booths set up by visiting clubs and districts. Over 20,000 Rotarians from 185 countries were in attendance. Kim and Mark had a very positive experience at the convention and encourage all Rotarians to attend one, given the opportunity. It is a great way to see the bigger Rotary picture, beyond what Rotary does within the district.
