Leslie Vecchiotti introduced our guest speaker, Pam Wagner (l), from the Palmyra-Macedon High School.

We were joined today by Pam Wagner, from Pal-Mac High School. Mrs. Wagner is the coordinator for Pal-Mac's newly-begun International Baccaalaureate Middle Years Programme (IBMYP). She told us about the ways the IBMYP is being introduced to the students at Pal-Mac.

The goal of the IBMYP is to promote and encourage creative, critical, and reflective thinking in students in grades 6 through 10. The program runs concurrently in all subjects; concepts presented in math, for example, will also be presented in social sciences and so on. Emphasis is placed on intellectual challenge. Students are encouraged to connect their studies in traditional subjects to the real world.

- Leslie, who knows how much her daughter loves being mentioned in the Crier, tells us that Juliana is home, but has been sick. She has been encouraged to rest, so naturally she has been shopping, baking, etc. Hi, Jules!
- Bob Ike had a happy buck for Pam Wagner being with us today. He also fined himself for announcing that the district is in need of substitute teachers. "You can do it! Excellent pay – great rewards!" Let him know if you are interested.
- Pam Dean's grandson played in his first basketball game of the season; he plays for his junior college in Florida.
- Joan's Steelers have won 3 games in a row – that's worth a happy buck!
- Steve discovered a trail along the old Erie Canal, north of Lyons, and went for a ride on his bike from there to Clyde. He tells us he does other things besides biking, too.
- Brian told us about "a bunch of old guys" playing flag football this past weekend in what has become known as the Pumpkin Bowl. He mentioned Andy and Gary among the athletes.
