Skaneateles Rotary Clubs' 2006~07 Academic Year

(Inbound Students) Rotary Youth Exchange students that are sponsored by the Skaneateles Rotary clubs are:

Nat "Pop" Jittithavorn - *Hatyai Thailand*- 16 years old. He likes to play ping pong and the guitar. He is interested in running on the Cross Country team when he is here. He is eager to exchange cultural knowledge while he is here. In April Pop entered the monk hood. He says, "It is believed that if we enter the monk hood we are giving the most merit to our parents." Following his secondary education he hopes to be a Pharmacist conducting new research and development on herbal medicines.

Paulina "Pau" Cisneros Villafuerte - *Celaya Mexico* - 17 years old. Pau loves camping, the outdoors and music. She is eager to improve her English. She has been to the US previously to Southern California and Las Vegas. She is eager to immerse herself in Skaneateles life through cultural and sports activities. Upon returning to Mexico, Pau wants to study International Trade.

Marie-Annick Blanchard - *Saint Nazaire France* - 18 years old. Marie-Annick is plays the harp and recorder. She is also very interested in History and getting involved with the Skaneateles Historical Society. She plans on majoring in History when she enters the university in order to teach history or geography in high school. She has a broad range of reading interests from philosophical books to comic strips.

Nicolas "Nico" Avalle - *Gordobe, Argentina* - 18 years old. Nico is currently a senior in his high school and will graduate prior to coming to Skaneateles. In school he likes drama, biology, Portuguese and English. In his free time he likes to hang out with his friends. He volunteers at an inner city school working with kids who live in poverty tutoring, sports and recreation activates. Nico will arrive in Skaneateles in mid January 2007.
