

## Volunteers needed for Thursday's service project

This Thursday, August 11, Rotary Club of Utica is assisting Anita's Stevens Swan Humane Society. The organization is looking for two to three people for one- or two-hour time slots to help with everyday housekeeping and grooming and interacting with the cats (they have 200!).

For information or to help, please contact President Tina Pavlot at [cpavlot@mtb.com](mailto:cpavlot@mtb.com).

## Prizes and volunteers needed for Saturday's Tees for Trees

Rotary Club of Utica's Tees for Trees Charity Golf Tournament tees off this Sunday, August 14, at Hidden Valley in Whitesboro. Volunteers are still needed as well as door prizes.

If you can help out, please drop a note to Jerry Kraus at [JKrausUtica@aol.com](mailto:JKrausUtica@aol.com).

Proceeds from the tournament help support the Club's Urban Tree Planting Project, in cooperation with The Unitarian Universalist Church and Mohawk Valley Community Action Agency. The goal of the project is to aid urban homeowners in enhancing the value of your property, improve the air quality within their community by reducing carbon emissions, and provide a canopy of shade to lower the heat index during summer months.
