From ski slope to the Aud, Rotarians have fun

Rotarians enjoy the slopes at Gore Mountain and the game from the Biergarten. More images on page 2. Photos provided by Tina Pavlot and Joe Abraham.

It was doubled social events this month and double the fun – as Utica Rotarians, family and friends took advantage of the annual ski trip on Wednesday, Jan. 24, and then the Utica City Football Club's soccer game against the Kansas City Comets on Sunday, Jan. 28.

The ski day took place at Gore Mountain Ski Resort in North Creek, and the game was viewed from the Biergarten in the Adirondack Bank Center at the Utica Memorial Auditorium.

Upcoming meetings

Our club returns to Mid-York Library on February 8, where we will be joined by Hawa Peters of Utica Royalties, an organization that helps inner city youth.

February 22's meeting will feature a student presentation on the Children of the American Revolution.

Deadline for next newsletter (2/3) is Saturday, Feb. 1 at 3 p.m.; submit to news@uticarotaryclub.org.
