

Spotlight on Utica as a welcoming city for refugees

Past District Governor Peter Cardamone recently passed along a copy of an article he came across written by Franciscan Fr. Daniel P. Horan, director of the Center for Spirituality and professor of philosophy, religious studies and theology at Saint Mary's College in Notre Dame, Indiana. He also happened to grow up in Utica.

In the article, Fr. Horan discusses Susan Hartman's new book, *City of Refugees: The Story of Three Newcomers who Breathed Life Into a Dying American Town* and reflects on his experiences growing up in Utica as it became a destination for refugee resettlement.

Fr. Horan's article can be read in depth online at [National Catholic Reporter](#).

Teams, prizes & volunteers needed for Tees for Trees

Rotary Club of Utica's Tees for Trees Charity Golf Tournament is just a few weeks away. We still have room for teams, and raffle baskets and volunteers are needed to make this another successful fund raiser. Last year the tournament raised over \$2,000!

Proceeds from the tournament, being held Sunday, August 14, at Hidden Valley Golf Club in Whitesboro, New York will help support the Club's Urban Tree Planting Project, in cooperation with The Unitarian Universalist Church and Mohawk Valley Community Action Agency.

Team registration, sponsorships and volunteer information can be obtained by emailing [Jerry Kraus](#) or see the Golf Tournament Registration Form and Tee Sign Hole Sponsorship Form at the end of this newsletter. The forms can also be downloaded from our Club website at [Tees for Trees Charity Golf Tournament](#).

The goal of the Urban Tree Planting Project is to aid urban homeowners in enhancing the value of your property, improve the air quality within their community by reducing carbon emissions, and provide a canopy of shade to lower the heat index during summer months.

Deadline for next newsletter (8/1) is Sunday, July 31, at noon; submit to news@uticarotaryclub.org
