Pulling together to beautify the city

Let's pull together to beautify Utica, just in time to welcome thousands of runners and spectators! Join us Sunday, June 28 at 9 a.m. to pull weeds and prune trees along the Oriskany Street median between Broad Street and

Auditorium Drive. We'll meet at the landscaped corner of Genesee and Oriskany Streets to hand out safety vests. Bring garden gloves and pruners/shears if you have them. To sign up, email Tina Pavlot at cpavlot@mtb.com.

Social outing at the Crust

Join your fellow Rotarians Thursday, June 18 at 5 p.m. at The Crust Kitchen and Bar (330 Main Street, Utica) for this month's

social outing. Friends, family, and co-workers are always encouraged and welcome!

Changing of the guard and awards night

by TRAVIS RABBERS

Our Rotary awards night will be Wednesday, July 1 beginning at 5:30 p.m. at the Piggy Pats pavilion. This is where we present the Paul Harris and Quiet Givers award to two Rotarians

in our club. We also give a recap of the past year, and pass the gavel to our new president. Dinner cost is \$25 per person. Please use the following link to register: [Utica Rotary Awards Night](#)

New Member Proposed: Greg Kovacs

The board proposes Greg Kovacs for membership to Rotary Club of Utica. Per bylaws, club members have five days to submit a written objection to Secretary Matt Schlosser.

Greg Kovacs, PhD, is a New York State Licensed Marriage and Family Therapist with over 25 years of clinical experience. Dr. Kovacs specializes in helping high-conflict and high-achieving couples move from “roommate syndrome” to deep, systemic connection.

As the founder of Upstate Marriage and Family Therapy and The Center for Couples & Coparenting Solutions, Greg holds a Master of Science in Marriage and Family Therapy, a Master of Science in Data Analytics, and a Ph.D. from Syracuse University, where his research focused on the complex dynamics of family systems and interpersonal development.

Beyond the therapy room, Greg is a consultant for organizations looking to reduce employee burnout by supporting the “invisible engine” of domestic well-being.
