New Member Proposed: Gina Trzepacz Timpano

The board proposes Gina Trzepacz Timpano for membership to Rotary Club of Utica. Per bylaws, club members have five days to submit a written objection to Secretary Matt Schlosser.

Gina Trzepacz Timpano is the owner of Yorkville Memorials and is active in the community, she notes, as President of Mohawk Valley Business Women's Network and a board member at CFLR.

Gina says she sees Rotary as a way "to give back to my community" and notes that she has "worked with and am friends with several current members."

She is a graduate of New York Mills Jr.-Sr. High School and Utica School of Commerce.

Volunteer for Boilermaker Water Station

by MATT SCHLOSSER

The countdown to the 2026 Boilermaker has begun! Our club will once again be running our water station alongside CNY Quest on the Parkway, and we anticipate an amazing race day for the runners, volunteers, and spectators.

Duties include setting up tables with cups of water and ice and passing out cups to the race participants as they pass. It's always a great time and the runners somehow manage to bring con-

tagious energy after a few miles in the heat and humidity!

I've sent emails to my volunteer list from last year regarding signups. Below is the Boilermaker link for registering as a volunteer. Our water station is listed as Water Stop - Utica Rotary/CNY Quest.
