

Rotary This Week!

Utica, NY, USA

Nov. 13, 2023

A strong Foundation makes all the difference

This week we'll hear about all the good that the Rotary Foundation does, and the ways in which we can help. The speaker is none other than Utica Rotarian Don Reese, whose long tenure with Rotary spans the local, district, regional and international levels.

A past club president (1999-2000) and past district governor (2002-2003), Don chairs the

District Foundation Committee and will continue in that position with the new Central New York District. Outside of Rotary Don is an assistant professor at Utica University in Economics, Management and Risk Management.

This week's program starts at noon Thursday, Nov. 16, at Mid-York Library, 1600 Lincoln Ave., Utica.
