

### College students encouraged to apply for internships

Paid internships are being offered to area college students by the Rotary Club of Utica. Applications are being accepted now for the spring and fall academic semesters of 2022-23.

Full-time college students vying for Rotaract Internships should be adaptable to working in a virtual or hybrid environment, as required by the current business and public health environment. Through paid internships with local businesses, students will be able to apply their academic knowledge in a professional setting and gain skills that will be invaluable to their future careers. This prestigious scholarship will be a life-altering experience for qualified students committed to academic excellence and service.

In addition, area businesses will be able to evaluate students for possible future employment, thereby creating the opportunity to keep some of our best and brightest minds in the Mohawk Valley.

Applications must be submitted electronically, and are available by visiting the Rotary Club of Utica website at [uticarotary.org](http://uticarotary.org) and clicking on the button for Rotaract. For more information, email [internship@uticarotaryclub.org](mailto:internship@uticarotaryclub.org).

## Don Reese recognized as Paul Harris Fellow

At the September 1 program meeting, PP and PDG Dana Jerrard presented PP and PDG Don Reese with the Paul Harris Fellow Plus Five award. The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation. It was established in 1957 to encourage and show appreciation for substantial contributions to the Foundation.

## Two new members welcomed to Rotary Club of Utica

At recent past program meetings, two new members were welcomed to the club. On September 1, PP Stephen Turnbull introduced Vincent Cannarelli. Vincent lives in South Utica with his two cats, Todd and Margot (the neighbors from Christmas Vacation). He has a master's degree from SUNY Poly and is the Sales and Onboarding Manager at Mohawk Valley Wellness as well as a group fitness coach, personal trainer, certified yoga teacher in both Vinyasa and Yin Yoga. He also teaches a weekly Yin Yoga class at In Bloom Yoga Studio. His hobbies include mountain biking, yoga, exercise, long walks, breath therapy, TV/movies, cooking, stand up paddle boarding, comedy, podcasts, and all styles of music. Vincent's burning desire is "to not need a job to support my life, but to choose to work willingly when and how I want to where the money is just a nice cherry on top."

On September 15, P Tina Pavlot introduced Stacey Kattato. Stacey is an Account Executive with WUTR TV, focusing on helping both small and large businesses create the perfect TV commercial to connect with their ideal client. She currently lives in Cold Brook with her husband Fran. They have three sons, Dino, Nicholas and James, two rescue doodles, Charlie Brown and Lucy, and they just celebrated their 30th wedding anniversary. Stacey has worked all over New York State in various sales leadership and marketing roles. When she's not working on perfecting the at home Doodle haircut, you can find her at her happy place—the yoga mat.

*Welcome, Vincent & Stacey!*
