

September 26, 2022

The rain on Thursday, September 22, spoiled our plans for mini golf at Palm Springs, but it didn't spoil our fun! We had a great monthly social night at Babe's at Harbor Point, and it was a nice meet-and-greet for our newest members, Alisha Kay Carstens-Robinson and Heather Agricola (pictured behind P Tina).

College students encouraged to apply for internships

Paid internships are being offered to area college students by the Rotary Club of Utica. Applications are being accepted now for the spring and fall academic semesters of 2022-23.

Full-time college students vying for Rotaract Internships should be adaptable to working in a virtual or hybrid environment, as required by the current business and public health environment. Through paid internships with local businesses, students will be able to apply their academic knowledge in a professional setting and gain skills that will be invaluable to their future careers. This prestigious scholarship will be a life-altering experience for qualified students committed to academic excellence and service.

In addition, area businesses will be able to evaluate students for possible future employment, thereby creating the opportunity to keep some of our best and brightest minds in the Mohawk Valley.

Applications must be submitted electronically, and are available by visiting the Rotary Club of Utica website at uticarotary.org and clicking on the button for Rotaract. For more information, email internship@uticarotaryclub.org.

The deadline for applying for 2022 spring and fall term internships is November 1, 2022.

If your business would like to participate in this program by providing an internship, please contact the Rotaract committee for details at:
