

Conference of Clubs

41 clubs...41 stories of service

This year's District 7150 conference is called Conference of Clubs, and it will focus on the good works of the district's 41 clubs. The conference is scheduled for Saturday, October 30, 2021, at Ramada by Wyndham Liverpool/Syracuse, 441 Electronics Parkway, Liverpool, NY 13088.

Key things to note are:

- Single day event with registration opening at 8 a.m. and be home for dinner
- \$80/person to attend includes conference registration, breakfast, lunch and some treats in between
- The speaker at breakfast will be Rotary International President-Elect Jennifer Jones (that's a BIG DEAL!)
- Consider coming to the [World Polio Day Gala](#) the night before at the same hotel (separate registration); get a room for just \$139 and make it a nice, overnight get-away
- We will follow the COVID safety protocol of the venue at the time of our event

For the House of Friendship, clubs must email DGN Elise at eliserotary7150@gmail.com to reserve space for your club's display by October 10. All are encouraged to participate.

Help spread the word—college students are encouraged to apply for internships with local businesses

Paid internships are being offered to area college students by the Rotary Club of Utica. Applications are being accepted now for the spring and fall academic semesters of 2022.

Full-time college students vying for Rotaract Internships should be adaptable to working in a virtual or hybrid environment, as required by the current business and public health environment. Through paid internships with local businesses, students will be able to apply their academic knowledge in a professional setting and gain skills that will be invaluable to their future careers. This prestigious scholarship will be a life-altering experience for qualified students committed to academic excellence and service.

In addition, area businesses will be able to evaluate students for possible future employment, thereby creating the opportunity to keep some of our best and brightest minds in the Mohawk Valley.

Applications must be submitted electronically, and are available by visiting the Rotary Club of Utica website at uticarotary.org and clicking on the button for Rotaract. For more information, email internship@uticarotaryclub.org.

The deadline for applying for 2022 spring and fall term internships is October 15, 2021.
