Halloween.

Shawn presented Mike McNall his 2nd Paul Harris pin.

Stewart Park fall work group Nov 19th and 20th. Volunteers, just show up. Info on
Friends of Stewart Park [facebook page](#).

At the November Board meeting capital projects were discussed. We've received
requests for various funds. We will vote on this next business meeting.

Mount Horeb Area Historical Society requested \$500 for their water fountain, bike
station project.

There will also be a request toward the new Mount Horeb Community Sign which will
be a 30K to 50K project... they may be looking for \$5K from Rotary.

Another project that is looking for assistance is the Troll Mountain project. There was
much discussion about how to use our funds

It was asked if we should have the Community Grants committee meet twice a year to
handle some of these projects that are not suited to capitol projects.

The idea of having a Capital Committee put into place was discussed. It was
suggested that the board handle this as part of their responsibility and make a
recommendation to the club for a vote.

Reports-

Attendance 71%

Frolic Money received... \$2100.

District dues paid and taxes are done.
