Mary Ann Bellazini, Campo di Bella
Started a CSA. Bought a farm on Sharpe Road in 2008. Added more members and animals and now have about 75 animals on the farm. They got to 28 members three years ago. Members liked her recipes so she started "farm to table" dinners serving in a church and at Schubert's. They put in a winehouse on the farm and began producing their own wine. Mary ann talked about the brief history of their wine making. She believes that everyone needs to slow down and enjoy each other over

a glass of wine and a good bowl of pasta. They do everything on site. Her husband is the chef, she is front of the house and her kids are around doing misc chores. Please Come. Their focus is Seasonality, Home Grown and Home Cooked. They are now ownsizing the CSA and growing for her family and for the dinners.
