We said goodbye to January Student Alayna Kutz

Welcome to the club for Rod Hise, plaques and pin and special thanks for becoming President Elect Nominee.

Shawn was asked by the District Governor to talk about our 10K Raffle at the District Conference.

Requests for Community Grant applications will come out in March.

Money has been wired to Ecuador for the water purification plant. We had a fundraiser after the massive earthquake destroyed areas around our exchange students' home town.

Bill gates will speak at the next Rotary International Convection. Join us at our 2017 Convention in Atlanta to hear Bill Gates share how we can — and will — end polio together. <http://on.rotary.org/2lfxtsG>

Speaker: Dani Michaels is Brent Yauchler's speaker today. She works with Hormone Replacement Therapy on a national basis. Renewyouth.com Hormone deficiency affects a huge part of our population. The group has been around for 17 years. There are only a few Dr's who know how to assist people in this. She owned a construction company but got burned out. Her father realized that he was having aging difficulties and began researching and started the Renew Youth Company. Now she is in partnership with her sister. She is an expert in hormone therapy. Hormone deficiency is happening to younger and younger people. They coordinate with physicians that they recommend across the country.
