

Rotary Community Grant Request Funding Requests due April 10, 2020

Guidelines

The Mount Horeb Rotary Club solicits funding requests from area organizations once each year. Community Service is a cornerstone of Rotary Clubs worldwide. The Mount Horeb Club has budgeted \$7,800 for local giving for its 2019 - 2020 fiscal year. Although historically the club has preferred to spread its support among several organizations, the entire budgeted amount could be awarded to an appropriate cause. Annual funding requests are awarded by the Mount Horeb Rotary Club to those groups (including but not restricted to not-for-profit organizations exempted by Section 501(c)(3) of the Internal Revenue Code) organized for charitable, scientific, literary and educational purposes.

Grant Policies

Eligibility - Funding requests may be made by groups that reside in or serve the Village of Mount Horeb Area when they require financial support for a project or service that advances and enriches the common welfare of the community or a specified group within it.

The Granting Process
