Community Grant Awards 2023

6)

Mount Horeb Softball Club

L-R Shawn Bollig, Eric Swiggum, Kurt Adler, Heidi Kopras

Mount Horeb Rotary held its annual community grants awards night May 31 at the Violet Room at Wisconsin Surplus.

The following worthy community projects received support from Rotary, which raises money through the year with its pancake breakfast, Summer Frolic hamburger stand and \$10K Raffle:

- Methodist Church accessibility project. A new elevator will make the church accessible to people using wheelchairs.
- Mount Horeb Community Gardens. Mulch will help gardeners control weeds organically.
- Mount Horeb DECA Club. The grant will help Mount Horeb High School Students travel to the national convention.
- Salted Tomato, a community supported agriculture farm that employs three young men with autism who grow, pack and deliver organic produce to customers. Rotarian Frank Wallitsch is one of the farmers.

Rotary Awards Community Grants

- Wednesday Night Live, to support Mount Horeb's beloved summer music series.
- Mount Horeb Softball Club, for equipment used to support youth softball at all age levels.
