Speaker: Vaughn Pakkala on his experience at Pets Conference (President Elect Training Conference)

Theme was "Making a Difference"

First PETS was in 1992. One question was asked... What is your "WHY". (Why are you a Rotarian).

Rotary International President Elect Ian Riseley from Australia was there.

Vaughn gave an overview of Rotary History and projects.

At PETS he participated in a lot of idea exchanges. He gave a presentation on the 10K Raffle and learned about successful wine tasting and ice fishing fund raisers.

They met with the incoming 6250 District Governor Joe Ruskey. He learned of the idea of creating a satellite club and was interested in that.

It was held at the Weston Hotel in Itasca, Il. He said the food was great and the experience was wonderful.

Jim Wendt finished up by telling stories about Vaughn.
